Logic Models are a popular tool that can be used to help conceptualize your change effort. It does this by inviting the author(s) to articulate their understanding of the current situation, the changes they hope to bring about through their program effort, with and/or for whom, the activities planned to contribute toward this change, the resources needed to put into the effort, assumptions they ...

Popular music is music with wide appeal that is typically distributed to large audiences through the music industry. These forms and styles can be enjoyed and performed by people with little or no musical training. It stands in contrast to both art music and traditional or "folk" music. Art music was historically disseminated through the performances of written music, although since the ...
