Symzonia: A Voyage of Discovery is a piece of fictional travel literature from 1820 of obscure authorship. Though prominent advocate for the existence of a hollow Earth, John Symmes, never published any works under his own name, it is likely that Symzonia was authored or influenced by Symmes. The account by the fictional Captain Adam Seaborn details a voyage from the United States in which Captain Seaborn leads a crew of sailors to the center of the Earth.
