Antigone is the subject of a story in which she attempts to secure a respectable burial for her brother Polynices. Oedipus's sons, Eteocles and Polynices, had shared the rule jointly until they quarrelled, and Eteocles expelled his brother. In Sophocles' account, the two brothers agreed to alternate rule each year, but Eteocles decided not to share power with his brother after his tenure expired.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
