Now "The Arabian Nights," some of which, but not nearly all, are given in this volume, are only fairy tales of the East. The people of Asia, Arabia, and Persia told them in their own way, not for children, but for grown-up people. There were no novels then, nor any printed books, of course; but there were people

Volume 3 comprises nights 719 to 1001, as well as the "Aladdin, or the Magic Lamp" standalone story. This third volume has proven to be my favorite, as there is less repetition (same kind of story followed by same kind of story) than in the previous books and some stories that begin on well trodden themes actually branch of in surprising directions.
