Do you have a harrington rod? There were thousands of us in the '80's getting these things in hospitals. An event, actually, that I've never really fully processed (although I hope I've accepted it?). At the time (I was 14), my mother sought the opinions of three New York City surgeons, and they all

Last week's post on the spooky dimensions of reading the one-on-one encounter, in the silent places of the mind, with another person's thinking sparked a lively discussion on the comments page, and no shortage of interesting questions. One of the points that was brought up repeatedly, though, focused on one of the points that I didn't address!
