Disaster recovery (DR) and business continuity refers to an organization's ability to recover from a disaster and/or unexpected event and resume operations. Organizations often have a plan in place (usually referred to as a "Disaster Recovery Plan" or "Business Continuity Plan") that outlines how a recovery will be accomplished. The key to successful disaster recovery is to have a plan ...

In the Church of Scientology, auditing is a process wherein the auditor takes an individual, known as a "preclear", through times in their life and gets rid of any hold negative situations have on them. Auditing began as an integral part of the Dianetics movement and has since, with the E-meter, become a core practice in Scientology. Auditing is defined by the Church as "the application of ...
