inevitable in human life. It is also inevitable in organizations or even between nations. Conflict is an inseparable aspect of people's as well as organizations' life. The study also discovered that conflicts occur in organizations as a result of competition for supremacy, leadership style, scarcity of common resources, etc.

### **Organizational Conflicts: Causes, Effects and Remedies**

One of the first documented conflicts with authority occurred when he was just nine years old, following the loss of both of Bach's parents, when his brother Johann Christoph confiscated a manuscript that Sebastian had copied behind his back. When this event is conceptualized in terms of recent research on coping with trauma and trauma recovery, it reveals Bach's sense of vulnerability to authorities and the establishment of a lifelong approach to resolving conflict.

### **Bach and personal conflict | Bibliolore**

Bach was caught in the very center. Frohne was the pastor of the church where he served as organist. A personal friendship bound him to Eilmar. But this position between the two factions reflected also an inner conflict, in which Bach felt himself drawn to both sides.
