A suicide attack is any violent attack in which the attacker expects their own death as a direct result of the method used to harm, damage or destroy the target. Suicide attacks have occurred throughout history, often as part of a military campaign such as the Japanese kamikaze pilots of World War II, and more recently as part of terrorist campaigns, such as the September 11 attacks.

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
