Betterness Economics For Humans Pdf Download

Betterness: Economics for Humans is a powerful call to arms for a post-capitalist economy. Umair Haque argues that just as positive psychology revolutionized our understanding of mental health by recasting the field as more than just treating mental illness, we need to rethink our economic paradigm.

If searching for a book by Umair Haque Betterness: Economics for Humans [Unabridged] [Audible Audio Edition] in pdf format, then you have come on to the loyal site.

Betterness: Economics For Humans [Unabridged] [Audible

review 1: I liked the book because I agreed with its central premise of striving for (and delivering) better, doing what we can to add real value to the world rather than mindlessly pursuing more money, more goods and just more of everything. It's unfortunately more of an unedited ramble than the concise book (it's very short) that I was hoping to read.
