### **Big Band Drumming - [PDF Document]**

The ability to read a book on big band drumming should not give one license to teach big band drumming. Visually oriented teaching does not encourage musical insight, musical imagination and individuality or musical playing. Reading is the least important of the three general areas of expertise required for playing musically in a big band, yet ...

notes on the bass drum part to help them count when there are various off-beat accents written on the snare drum line. If four notes on the bass drum are required, the bass drum notes would be accented or the word Play would be written. Where the bass line deviates from this pattern, it is quite acceptable to play the line,

### **A guide to big band drum parts - Paul Busby**

Big Band Drumming Understanding Fills by Ron Spagnardi is a rhythmic pattern of indeterminate length, played just prior to a section or ensemble figure. The purpose of the fill is to set the band up for the figure and lead them into it. It also serves to add color, intensity, and a sense of forward momentum to the arrangement. A
