The South Side is an area of the city of Chicago. It is the largest of the three Sides of the city that radiate from downtown—the others being the North Side and the West Side (while there is no East Side, because Lake Michigan runs along the city's eastern border, there is an East Side community area on the South Side, in the far southeastern section of the city).

On the Beach is a 1957 post-apocalyptic novel written by British-Australian author Nevil Shute after he immigrated to Australia. The novel details the experiences of a mixed group of people in Melbourne as they await the arrival of deadly radiation spreading towards them from the Northern Hemisphere following a nuclear war a year previously. As the radiation approaches, each person deals with ...
