Introduction. This manual is the basic textbook for anyone writing an ASTM standard. A study of Parts A, B, C, or E will show the proper form for the principal types of standards including a detailed explanation of how to write each section, from the title to the appendixes. Within Parts A, B, C, and E, the first section lists the preferred sequence of headings and indicates whether these ...

The RGB color model is an additive color model in which red, green and blue light are added together in various ways to reproduce a broad array of colors. The name of the model comes from the initials of the three additive primary colors, red, green, and blue. The main purpose of the RGB color model is for the sensing, representation and display of images in electronic systems, such as ...

Sasha Grey (born Marina Ann Hantzis, March 14, 1988) is an American actress, model, musician, and former adult film actress. She first made her name in mainstream media after appearing on several popular television programs and in pop culture magazines, examining her willingness to enter the world of hardcore porn at a young age. She has also been featured in movies, television shows, music ...
