Born Yesterday is a 1950 American comedy-drama film directed by George Cukor. The screenplay was credited to Albert Mannheimer based on the stage play of the same name by Garson Kanin. According to Kanin's autobiography, Cukor did not like Mannheimer's work, believing it lost much of the value of the play, so he approached the playwright about writing the screenplay from his own play.

About Portable Document Format (PDF) Files What is a PDF file? A Portable Document Format (pdf) file is a self-contained cross-platform document. In plain language, it is a file that will look the same on the screen and in print, regardless of what kind of computer or printer someone is using and regardless of what software package was originally used to create it.
