A mirror is an object that reflects light in such a way that, for incident light in some range of wavelengths, the reflected light preserves many or most of the detailed physical characteristics of the original light, called specular reflection. This is different from other light-reflecting objects that do not preserve much of the original wave signal other than color and diffuse reflected ...

"Broken" is a song by American alternative band Lifehouse. It is the third single released from their fourth studio album, *Who We Are* (2007). Lead singer Jason Wade was inspired to write the song after he visited a friend in Nashville who needed a kidney transplant. Originally released on June 18, 2007 as the fifth track on *Who We Are*, the song was then edited for radio to give it more of a ...
