Lightweight, durable, water-resistant, and ready to fulfill all your survival needs. That's what your bug out bag should be like. However, we all know packing a BOB is a balancing act: there are items that are crucial, and there are others that are less important, depending on your location, climate, age, your medical condition, and so on.. I initially wanted to write an article that covered ...

Taking preventive action is your best defense against having to deal with extreme cold-weather conditions.

By preparing your home and car in advance for winter emergencies, and by observing safety precautions during times of extremely cold weather, you can reduce the risk of weather-related health problems.
