

changing citizenship democracy and pdf

Citizenship is the status of a person recognized under the custom or law as being a legal member of a sovereign state or belonging to a nation.. A person may have multiple citizenships.A person who does not have citizenship of any state is said to be stateless, while one who lives on state borders whose territorial status is uncertain is a border-lander.

History of citizenship describes the changing relation between an individual and the state, commonly known as citizenship.Citizenship is generally identified not as an aspect of Eastern civilization but of Western civilization. There is a general view that citizenship in ancient times was a simpler relation than modern forms of citizenship, although this view has been challenged.
