Yankee villainy. More than that though, Civil War Memories is a convincing discussion of how Americans North and South have remembered and/or forgotten that defining conflict and the ways in which those memories have intersected with contemporary concerns in the century and a half since Appomattox.

**Civil War Memories: Contesting the Past in the United**

For decades the historiography of the Spanish civil war was dominated by "grand narratives" which focused primarily on the conflict's origins and outcome. Historical time in Spain was marked and measured according to the chronology of the rise and fall of the Franco regime (1939–75).
