

civilization in the west pdf

Western culture, sometimes equated with Western civilization, Occidental culture, the Western world, Western society, and European civilization, is a term used very broadly to refer to a heritage of social norms, ethical values, traditional customs, belief systems, political systems and specific artifacts and technologies that have some origin or association with Europe.

Western culture - Wikipedia

"Civilization" can also refer to the culture of a complex society, not just the society itself. Every society, civilization or not, has a specific set of ideas and customs, and a certain set of manufactures and arts that make it unique.

Civilization - Wikipedia

Proper noun []. civilization. Collectively, those people of the world considered to have a high standard of behavior and / or a high level of development.

civilization - Wiktionary

Christianity has been historically intertwined with Western civilization. However, it is difficult to decide what its effects were. Through its long history, the Church has been a major source of social services such as schooling.
