Tarzan and His Mate is a 1934 American pre-Code action adventure film based on characters created by Edgar Rice Burroughs. Directed by Cedric Gibbons, it was the second in the Tarzan film series to star Johnny Weissmuller. In 2003, the United States Library of Congress deemed the film "culturally, historically or aesthetically significant" and selected it for preservation in the National Film ...

It's taken 21 months, four professors, and three associate/assistant professors, and THIS is the best they could come up with? The printed version listed no author (the pdf has been updated with John Cooks name*) yet wears the logo of the University of Western Australia (UWA), which will embarrass that university as word spreads of the intellectual weakness of their "Guide".
