Author Comments. College Romance is a visual novel that follows a protagonist (you) as you go through your last year of college. It is a story of love, relationships, and fun. Meet five different young women, and learn about who they are, as well as "dating" them. Multiple endings for each means there's a lot of story to be explored. Click on...

I enjoy reading romance stories, but I don't like the adult stuff just yet. I have read several teen book and loved all of them but I am in college now and I want to read something that suits me better. I am not into any sci fi or fantasy book though, I am looking for a regular romance book. I don't like to much action either, I like romance difficulties or multiple romances.
