

computers helping people with pdf

The two volume set LNCS 9758 and 9759, constitutes the refereed proceedings of the 15th International Conference on Computers Helping People with Special Needs, ICCHP 2015, held in Linz, Austria, in July 2016.

Computers Helping People with Special Needs | SpringerLink

However, technology is helping to lower many of these barriers. By using computing technology for tasks such as reading and writing documents, communicating with others, and searching for information on the Internet, students and employees with disabilities are capable of handling a wider range of activities independently.

Working Together: People with Disabilities and Computer

The item Computers Helping People with Special Needs : 15th International Conference, ICCHP 2016, Linz, Austria, July 13-15, 2016, Proceedings, Part I, edited by Klaus Miesenberger, Christian B  hler, Petr Penaz, (electronic resource) represents a specific, individual, material embodiment of a distinct intellectual or artistic creation found in Boston University Libraries.
