

concept cars and prototypes pdf

A concept car (also known for as concept vehicle, show vehicle or prototype) is a car made to showcase new styling and/or new technology. They are often shown at motor shows to gauge customer reaction to new and radical designs which may or may not be mass-produced. General Motors designer Harley Earl is generally credited with inventing the concept car, and did much to popularize it through ...

Concept car - Wikipedia

A flying car is a type of personal air vehicle or roadable aircraft that provides door-to-door transportation by both ground and air. The term "flying car" is also sometimes used to include hovercars.. Many prototypes have been built since the first years of the twentieth century using a variety of flight technologies and some have true VTOL performance, but no flying car has yet reached ...
