

draw chibi how to pdf

Chibi (ãã or ãã) is a Japanese slang word describing something short (a thing, an animal or a person). It comes from the verb çã (chibiru), which means "to wear out and become shorter" (for the tip of something). [citation needed] The term is widely used in Japan to describe a specific style of caricature where characters are drawn in an exaggerated way.
