Although some religious views look upon casual sex negatively, individual views on casual sex vary based on personal traits such as autonomy. Religious people and non-religious people mostly have similar feelings when it comes to having casual sex, with a bigger difference in attitude taking place between men and women.

Dorylus, also known as driver ants, safari ants, or siafu, is a large genus of army ants found primarily in central and east Africa, although the range also extends to southern Africa and tropical Asia. The term siafu is a loanword from Swahili, and is one of numerous similar words from regional Bantu languages used by indigenous peoples to describe various species of these ants.
