Today's Up-to-Date, Step-by-Step Guide to Designing Active Microwave Circuits Microwave Circuit Design is a complete guide to modern circuit design, including simulation tutorials that demonstrate Keysight Technologies' Advanced Design System (ADS), one of today's most widely used electronic design automation packages. And the software-based circuit design techniques that Yeom presents can be ...

Underwater diving, as a human activity, is the practice of descending below the water's surface to interact with the environment. Immersion in water and exposure to high ambient pressure have physiological effects that limit the depths and duration possible in ambient pressure diving. Humans are not physiologically and anatomically well adapted to the environmental conditions of diving, and ...

I know this question is old but I thought I would share this as I could not find anything similar. I wanted to create my views/models as normal using Razor and have them rendered as Pdfs.. This way I had control over the pdf presentation using standard html output rather than figuring out how to layout the document using iTextSharp.
