In Viriconium, the young men whistle to one another all night long as they go about their deadly games. If you wake suddenly, you might hear footsteps running, or an urgent sigh. After a minute or two, the whistles move away in the direction of the Tinmarket or the Margarethestrassen. The next day ...

Viriconium is a series of novels and stories written by M. John Harrison between 1971 and 1984, set in and around the fictional city of the same name. In the first novel in the series, the city of Viriconium exists in a future Earth littered with the technological detritus of millennia. However, variations of the city appear throughout the series, in an attempt by Harrison to subvert the concept of thoroughly-mapped secondary worlds featured in certain works of fantasy, particularly those by J.
