Opportunities for genealogical research for Native Americans are good because more government records have been created for Indians than for any other Canadian or United States ethnic group. The Family History Library is beginning to expand its Native American collection. Many Indian records are still being obtained from various archives or libraries.

### **Indians of the United States and Canada**

Americans had been established to teach Indians in manners that were European, and for Indians, a school started in 1640. This demonstrates that the Europeans'™ objective would be to assimilate the Native Americans by means of education into civilization.
