The best is The Solutions Manual, this is an excellent website of solutions manuals with good prices and excellent service.

Where can I download the solution manual for textbooks

solutions, as persisted in the 1st edition for many years. We distinguish between student solutions" and instructor only" for the convenience of both. Students can work homeworks then check their own answers. Instructors can assign homeworks with some confidence that students will do their own work instead of looking up the answer in the manual.

Giancoli Physics Principles With Applications 7th Edition

This solutions manual provides answers for the even-numbered exercises in Probability and Statistical Inference, 8th edition, by Robert V. Hogg and Elliot A. Tanis. Complete solutions are given for most of these exercises. You, the instructor, may decide how many of these answers you want to make available to your students.

Instructor's Solutions Manual Probability and Statistical

To assume that students won't get their hands on the solutions manual or collaborate is silly, but what is more aggravating is the FACT that not releasing solutions manuals cuts the amount of potential learning material a book has to offer down tremendously.

How do you get solution manuals for your text books? - reddit

Instructor Solution Manual Contact authors for the password. Send email to Jeff and Paul from your university email address, and include documentation that you are an instructor using the book (a class website, faculty list, etc.).
