The Berne Convention for the Protection of Literary and Artistic Works is the most important international treaty that addresses international protection for copyright. The United States acceded to that treaty in 1989.

International Copyright Protection: How Does It Work

Meetings are necessary to coordinate individual efforts, collaborate on joint projects, garner support for ideas, sell ideas, solve problems collectively, and make consensus-based decisions. Essentially, meetings are a gathering of two or more persons to collectively accomplish what one person cannot. However, not all

meetings are really necessary.

HOW TO ORGANIZE AND RUN EFFECTIVE MEETINGS

Globalization and the international systems that govern the way our highly interdependent and interconnected world works have no rules that ensure the fair distribution of growth and benefits.
