The Seven Chakras - chopracentermeditation.com

Learning to trust your intuition is like practicing any new skill or talent. At first you might feel uncertain. “Am I making this up?” is a common concern. If you’re worried about that, try taking a small step in the direction that your intuition indicates. This doesn’t need to be a huge leap of faith. Test the information.

Intuition And Metacognition In Medical Education Keys To

Description : Intuition deals with the difference between the intellectual, logical mind and the more encompassing realm of spirit. Logic is how the mind knows reality, intuition is how the spirit experiences reality. Osho's discussion of these matters is wonderfully lucid, occasionally funny, and thoroughly engrossing.

intuition | Download eBook PDF/EPUB

In the first half of the book we study the theory of strategic intuition in its original forms: the history of science, neuroscience, cognitive psychology, European military strategy, and Asian philosophy. In the second half we learn how to apply strategic intuition in business, in social programs, in professions of all kinds, and in education.
