Unable to search for words in a pdf document | Adobe Community

After combing several pdf files, certain characters are lost and only square boxes appear throughout the document. It also happens when inserting a pdf. Only happens with certain pdf files. Usually downloaded documents like manuals. Coworker tried on their computer without any problem. Started having this problem for about 1 week.

after combining pdf files, why certain characters are lost

Used to be able to open PDF files with no problem. If I right click on the file It does not ask me what program I want to open with ; the only option it gives me is OPEN. This thread is locked.

I can't open PDF files - Microsoft Community
