### **John Muir's Last Journey - South to the Amazon and East to**

The naturalist John Muir, sometimes called "the father of the national parks," is best known for his travels in California and Alaska, and for his extensive and quotable writings. But I have concentrated on his journeys before 29 March 1868 when, just one month shy of his 30th birthday, he first set foot in California.

### **Retracing John Muir's Travels**

Travels in Alaska, John Muir ... drenched forests and cold, rich waters, we encounter for a last time the original abundance of life, a plenty of bird and ... John Muir 1879 John Muir's journey was undertaken to further his understanding of glaciation and get acquainted with parts north.
