

journal of artificial intelligence pdf

Artificial Intelligence, which commenced publication in 1970, is now the generally accepted premier international forum for the publication of results of current research in this field. The journal welcomes foundational and applied papers describing mature work involving computational accounts of aspects of intelligence .

Artificial Intelligence - Journal - Elsevier

The International journal of Artificial Intelligence & Applications (IJAIA) is a bi monthly open access peer-reviewed journal that publishes articles which contribute new results in all areas of the Artificial Intelligence & Applications (IJAIA).

International Journal of Artificial Intelligence

American Journal of Artificial Intelligence (AJAI) is an international and scientific journal, which mainly aims to publish refereed, well-written original research articles, and studies that describe the latest research and developments in the area of artificial intelligence.

American Journal of Artificial Intelligence :: Science

JAIR is published by AI Access Foundation, a nonprofit public charity whose purpose is to facilitate the dissemination of scientific results in artificial intelligence. JAIR, established in 1993, was one of the first open-access scientific journals on the Web, and has been a leading publication venue since its inception.

Journal of Artificial Intelligence Research - Official Site

The Open Artificial Intelligence Journal , a peer reviewed journal, is an important and reliable source of current information on developments in the field. The emphasis will be on publishing quality articles rapidly and freely available worldwide.

The Open Artificial Intelligence Journal

Artificial Intelligence, which commenced publication in 1970, is now the generally accepted premier international forum for the publication of results of current research in this field. The journal welcomes foundational and applied papers describing mature work involving computational accounts of aspects of intelligence .
