Characteristics of a Healthy, Functional Romantic Relationship A healthy functional intimate relationship is based on equality and respect, not power and control. Think about how you treat (and want to be treated by) someone you care about. Compare the characteristics of a healthy functional romantic relationship with those of an unhealthy dysfunctional romantic relationship.

Committed Polygamous Relationships This training should also be used for men and women in polygamous relationships. If men and women are in a long-term committed relationship, recognized by civil or social society, then no matter what our personal belief, we should recognize that vow too. Invite men and women from polygamous long-term relationships.
