The name "South Africa" is derived from the country's geographic location at the southern tip of Africa. Upon formation, the country was named the Union of South Africa in English, reflecting its origin from the unification of four formerly separate British colonies. Since 1961, the long form name in English has been the "Republic of South Africa".

[10] We note that some support for the approach of Schippers J is to be found in Bishop & Woolman (op cit), who opine that one of the most common criticisms levelled at the Public Protector or ombudsmen generally is that the institution lacks the power to make "binding decisions". According to them, the real strength of the office lies in the power to investigate and report effectively.
