The modified barium swallow is done at the Department of Pediatric Radiology of UPMC Children's Hospital. You will begin the appointment by meeting with a speech/language specialist, who is specially trained in swallowing disorders, to discuss your concerns about your child's swallowing problems and answer any questions you may have about the test.

Phone Calls During Office Hours. Routine questions, appointments, billing information, request for referrals and prescription renewals are all handled during regular office hours.

Frequently Asked Questions – FentonPediatrics.com

Residency as an opportunity for advanced training in a medical or surgical specialty evolved in the late 19th century from brief and informal programs for extra training in a special area of interest.

Residency (medicine) - Wikipedia

Complementary Health Approaches for Cancer Symptoms and Treatment Side Effects. Some complementary health approaches, such as acupuncture, massage therapy, mindfulness-based stress reduction, and yoga, may help people manage cancer symptoms or the side effects of treatment. However, some approaches may interfere with conventional cancer treatment or have other risks.

Controlling Tuberculosis in the United States Recommendations from the American Thoracic Society, CDC, and the Infectious Diseases Society of America

Controlling Tuberculosis in the United States

Importance Previous studies identified disparities in health and health risk factors among lesbian, gay, and bisexual (LGB) adults, but prior investigations have been confined to samples not representative of the US adult population or have been limited in size or geographic scope. For the first time in its long history, the 2013 and 2014 National Health Interview Survey included a question on ...
