ASCD's Whole Child approach is an effort to transition from a focus on narrowly defined academic achievement to one that promotes the long-term development and success of all children.

### **ASCD Whole Child Initiative**

The WSCC Model is ASCD's Whole Child approach, but takes a more specific health and wellbeing focus. The WSCC Model highlights the School Health Components which every school should have to ensure the health, safety, and wellbeing of their students, staff and environment.

This is a list of prisoners who have received a whole-life order through some mechanism in jurisdictions of the United Kingdom. It has been reportedly issued in approximately 100 cases since its introduction in 1983, although some of these prisoners have since died in custody, or had their sentences reduced on appeal.

The meaning of the term "alternative" in the expression "alternative medicine", is not that it is an effective alternative to medical science, although some alternative medicine promoters may use the loose terminology to give the appearance of effectiveness. Loose terminology may also be used to suggest meaning that a dichotomy exists when it does not, e.g., the use of the expressions "western ...
